Dear Sir:

Your generous gift to our collection of the two examples of the medals designed by Emil Fuchs for the Intercollegiate Current Events Contest, has been received. Thank you very much for your thought for our collection.

We are very glad to have these to add to our showing of the work of Mr. Fuchs. We are also glad to have them because they are the latest manifestation of a practice which we hope will increase - the establishment of medallic awards of a like nature.

Cordially yours,

President.
